

LIGHTING MADE EASY.

The next evolution of lighting.

Universal CrystaLogic[®] (UCL) White LED Pool and Spa Lights deliver bright, longer-lasting LED lighting for commercial pools and spas. They represent breakthrough technology for the illumination for any feature or body of water. First to be UL Listed to retrofit virtually all existing manufacturers' niches, Universal CrystaLogic[®] White LED Lighting is designed to drastically reduce operation costs and deliver unparalleled performance.

TARGETED LIGHT DISTRIBUTION

Prevents glare from above while also enhancing the distance of the light, creating a uniformly illuminated environment.

TOTALLY ENCAPSULATED ELECTRONICS

For next-level durability that ensures your light can withstand even the harshest conditions, making it ideal for any environment.

INDUSTRY-FIRST ADJUSTABLE LOWER CATCH

Simplifies installation with the ability to overcome variations in plaster thickness.

DESIGN FLEXIBILITY

The detachable cord and stainless steel trim provide lighting options that ensure easy installation and service.

THE ADVANCED FUNCTIONALITY OF HAYWARD LED TECHNOLOGY

These lights are UL listed for safe installation in virtually any niche, including Hayward®, Pentair®, Jandy®, American®, Sta-Rite®, Purex®, Pacfab®, Swimquip® and CHD® niches.

Universal CrystaLogic® is UL listed for wall and floor installation. For new installations, the revolutionary shallow pool niche does not require bonding or grounding, allowing you to further save costs on installation and materials.
