

PRODUCT DISCONTINUATION NOTICE

The production of the following product has been discontinued

PROHAYWARD

Model: IM 3675

RGB & WHT

Nicheless LED Light

Replaced with a newer SEALED LED PANEL underwater light. All electronics and LEDs in the replacement are encased in a resin creating a water tight unit. The new light is also smaller in diameter and has a thinner profile.

Limited quantities of IM3675 may be available till stocks last.

**Discontinued from:
January 2020**

Discontinued:	3675RGB	3675WHT
Replacement:	3680RGB	3680WHT
