

PRODUCT DISCONTINUATION NOTICE

The production of the following product line has been discontinued

SUMMIT HEAT PUMP 50Hz SHE SERIES

The Summit SHE Series of heat pumps was manufactured for 50Hz markets primarily for European customers.

To meet newer standards European customers require R32 and inverter variable speed models.

Production of the SHE series unviable at existing pricing levels and quantities.

**Discontinued from:
FEB 2020**

SHE1101	SHE1401	SHE1901
SHE1903	SHE2403	SHE3003
